

OurSPACE WA

Family & Foster Carer Counselling & Support Service

What is OurSPACE WA?

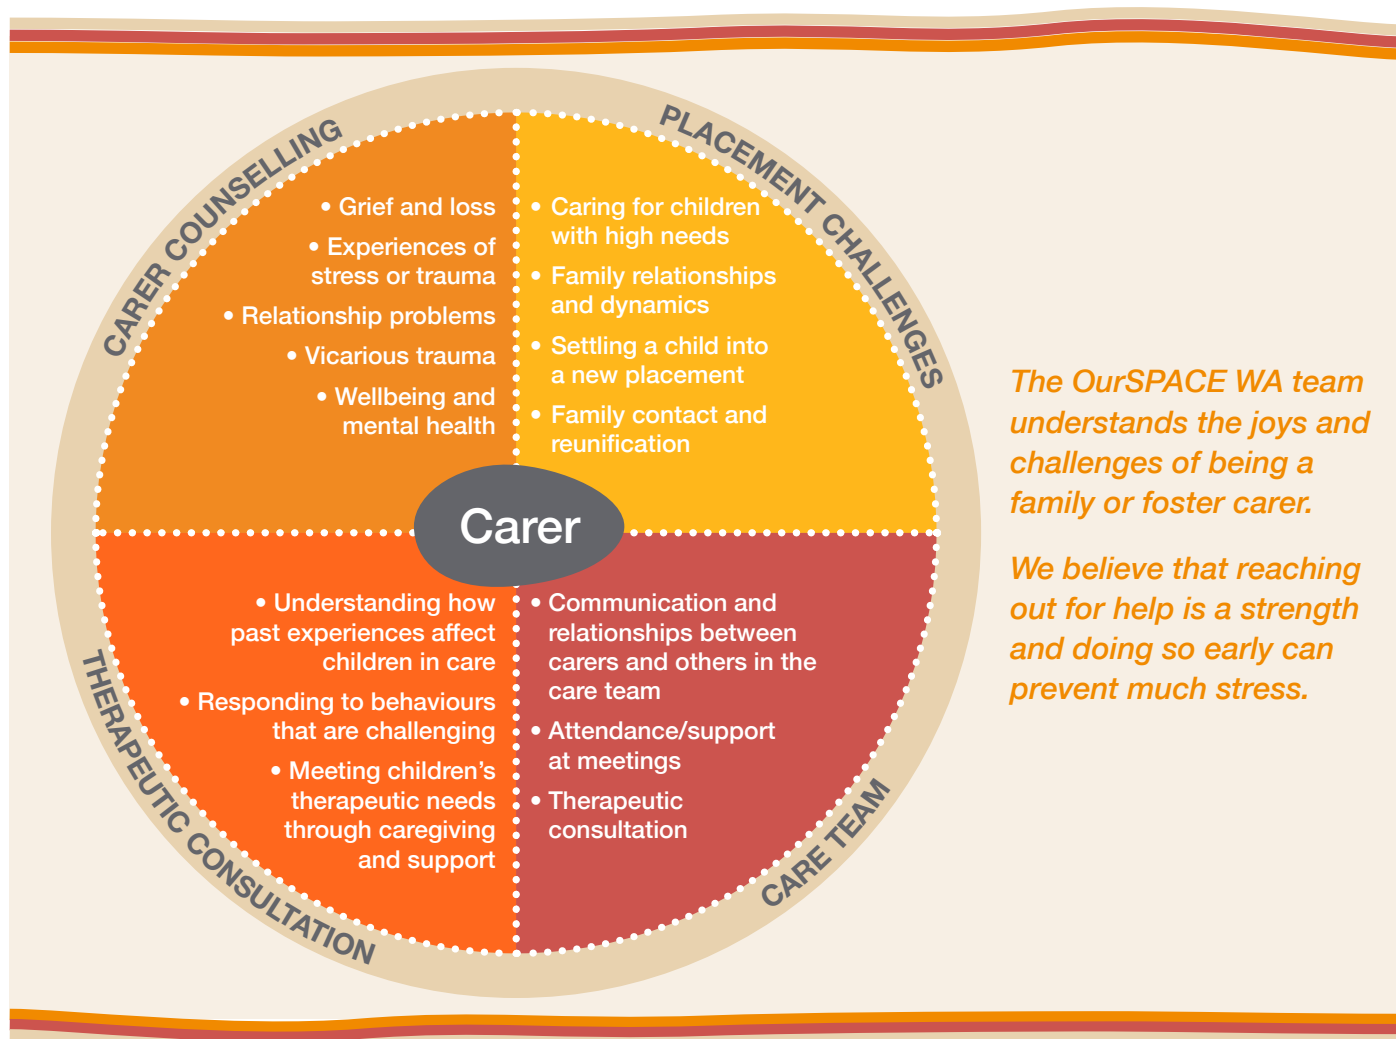

OurSPACE WA is a counselling and support service for Department of Communities family and foster carers. The service is state-wide, free, and confidential. Meetings are held over the phone or by videocall, and some face-to-face sessions can be offered in the Perth area.

OurSPACE WA is delivered by a team of experienced Senior Counsellors/Therapeutic Specialists from the Australian Childhood Foundation. Aboriginal carers can talk with an Aboriginal counsellor, if they prefer.

How can OurSPACE WA help?

We listen to a carers story and what is important to them, so together we can decide on the best way to help. OurSPACE WA is respectful of carers beliefs and culture.

OurSPACE WA provides counselling and support that can help with:
